Independent auditor's report to the members of St. Sylvesters GAA Club

We have audited the financial statements of St. Sylvesters GAA Club for the year ended 30 September 2017 which comprise the Bar Income and Expenditure Account, the Club Income and Expenditure Account, and related notes. The relevant financial reporting framework that has been applied in their preparation is the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, which is issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland.

This report is made solely to the committee, as a body. Our audit work has been undertaken so that we might state to the committee those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the club and the committee, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of committee and auditors

As described in the Constitution of the Club, the committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with Irish law. Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial reporting Councils (FRC's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the club's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the committee; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors report and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Basis for qualified opinion on financial statements

With respect to land and buildings having a carrying value of "3,136,562 the audit evidence available to us was limited because the information to support the value was not available as at 30 September 2017. Owing to the nature of the club's records, we were unable to obtain sufficient appropriate audit evidence regarding the land and buildings valuation by using other audit procedures.

Qualified opinion on financial statements

In our opinion, except for the possible effects of the matters described in the basis for qualified opinion paragraph, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the club as at 30 September 2017 and of its surplus for the year then ended; and
- " have been properly prepared in accordance with the relevant reporting framework and, the requirement of the Club's Constitution.

Independent auditor's report to the members of St. Sylvesters GAA Club (continued)

In respect solely of the limitation on our work relating to the valuation of the properties described above:

- We have not obtained all the information and explanations which we consider necessary for the purposes of our audit.
- " In our opinion the accounting records of the club were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.

These financial statements were approved by the Committee on 23 November 2017 and signed by:

Patrick Miskelly - Chairman

Richard Aslett - Treasurer

Fergal McStay - Secretary

The notes on pages 6 to 13 form part of these financial statements.

Notes to the financial statements Financial year ended 30 September 2017

1. General Information

These financial statements comprising of the comprise the Bar Income and Expenditure Account, the Club Income and Expenditure Account, balance sheet and related notes constitute the individual financial statements of St. Sylvesters GAA Club for the year ended 30 September 2017.

Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', applying Section 1A of that Standard. These are the first financial statements that comply with FRS 102.

Currency

The financial statements have been presented in Euro (") which is also the functional currency of the club.

2. Accounting policies and measurement bases

2.1 Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', applying Section 1A of that Standard which is issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland because it is the equivalent size of a small company.

2.2 Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in income and expenditure. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess shall be recognised in income and expenditure.

2.3 **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fittings fixtures and equipment RB 20%
Ball Wall SL 5%
Floodlights SL 5%

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

Notes to the financial statements (continued) Financial year ended 30 September 2017

2.4 Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stocks to their present location and condition. Net realisable value is based on normal selling price, less further costs expected to be incurred to completion and disposal.

2.5 Turnover & Recognition of Income

Bar Income

Bar turnover represents the total till receipts, excluding value added tax, of sales made during the year.

Club Income

Public donations, income from member's subscriptions, income from summer/easter camps and fundraising events are accounted for when received. As with similar not for profit organisations, independent groups from time to time may organise fundraising activities and may collect and distribute cash in the name of St. Sylvesters GAA club. However as amounts collected in this way are outside the control of the club, they are therefore not recognised in the financial statements until received by the club.

2.6 Government grants

Government grants are recognised at the fair value of the asset received or receivable using the accruals model when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Grants towards capital expenditure are credited to deferred income and are released to the income and expenditure account over the expected useful life of the related assets

2.7 Hire purchase and finance leases

Assets held under finance leases are recognised in the balance sheet and are depreciated over their useful lives with the corresponding lease or hire purchase obligation being recognised as a liability. The interest element of the finance lease rentals are charged to the income and expenditure account over the period of the lease and represent a constant periodic rate of interest on the balance of capital repayments outstanding.

Operating lease rentals are charged to the income and expenditure account on a straight-line basis over the lease term.

Notes to the financial statements (continued) Financial year ended 30 September 2017

2.8 Financial instruments

- Cash and Cash equivalents

Cash consists of cash on hand and demand deposits. Cash equivalents consist of short term highly liquid investments that are readily convertible to known amounts of cash that are subject to an insignificant risk of change in value.

- Other financial assets

Other financial assets including trade debtors arising from goods sold to customers on short-term credit, are initially measured at the undiscounted amount of cash receivable from that debtor, which is normally the invoice price. If payment is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate, this constitutes a financing transaction, and the financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Subsequently, other financial assets are measured at amortised cost less impairment, where there is objective evidence of impairment.

- Other financial liabilities

Other financial liabilities, including trade creditors arising from goods purchased from suppliers on short-term credit, are initially measured at the undiscounted amount owed to the creditor, which is normally the invoice price. Liabilities that are settled within one year are not discounted. If payment is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate, this constitutes a financing transaction, and the financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Subsequently, other financial liabilities are measured at amortised cost.

Investments in price bond

The club holds investment in An Post Prize Bond purchased many years ago for IR£100. The investment is measure at initial cost.

2.9 <u>Judgements and key sources of estimation uncertainty</u>

The committee members consider the accounting estimates and assumptions below to be its critical accounting estimates and judgements:

Going Concern

The committee members consider it appropriate to prepare the financial statements on a going concern basis.

Useful Lives of Tangible

Long-lived assets comprising primarily of land & buildings, fixtures, fittings and equipments represent a significant portion of total assets. The annual depreciation charge depends primarily on the estimated lives of each type of fixtures, fittings and equipments. The committee members regularly review these useful lives and change them if necessary to reflect current conditions. In determining these useful lives committee members consider physical condition and expected economic utilisation of the assets. Changes in the useful lives can have a significant impact on the depreciation charge for the financial year.

Notes to the financial statements (continued) Financial year ended 30 September 2017

3.	Surplus before tax		
	Surplus is stated after charging/(crediting):		
		2017	2016
		€	"
	Depreciation of tangible assets	39,289	36,968
4.	Staff costs		
	The aggregate payroll costs incurred during the financial year were:		
		2017	2016
		€	"
	Wages and salaries	162,010	162,504
5.	Appropriations of Income and Expenditure Account		
		2017	2016
		€	"
	At the start of the financial year	1,457,182	1,378,448
	Surplus for the financial year	105,054	78,734
	At the end of the financial year	1,562,236	1,457,182

Carrying amount				
At 30 September 2017	3,136,562	172,921	257,161	3,566,644
At 30 September 2016	3,136,562	183,499	105,519	3,425,580

The premises at 2 Church Road, Malahide, Co. Dublin and Broomfield has not been depreciated as the committee feel that the estimated market value is at least equal to the value as shown in the financial statements. The premises at 2 Church Road, Malahide, Co. Dublin is carried at a valuation carried out in 2010.

No external valuation has taken place on the properties held since 2010, however the executive committee are of the view that the properties are in line with the current market value and that there is no diminution in the value of the properties.
